

BLOSH

You see
where he
went?

Thanks,
He got
you too
huh?

Well,
he came
at me
from the
south-
west.

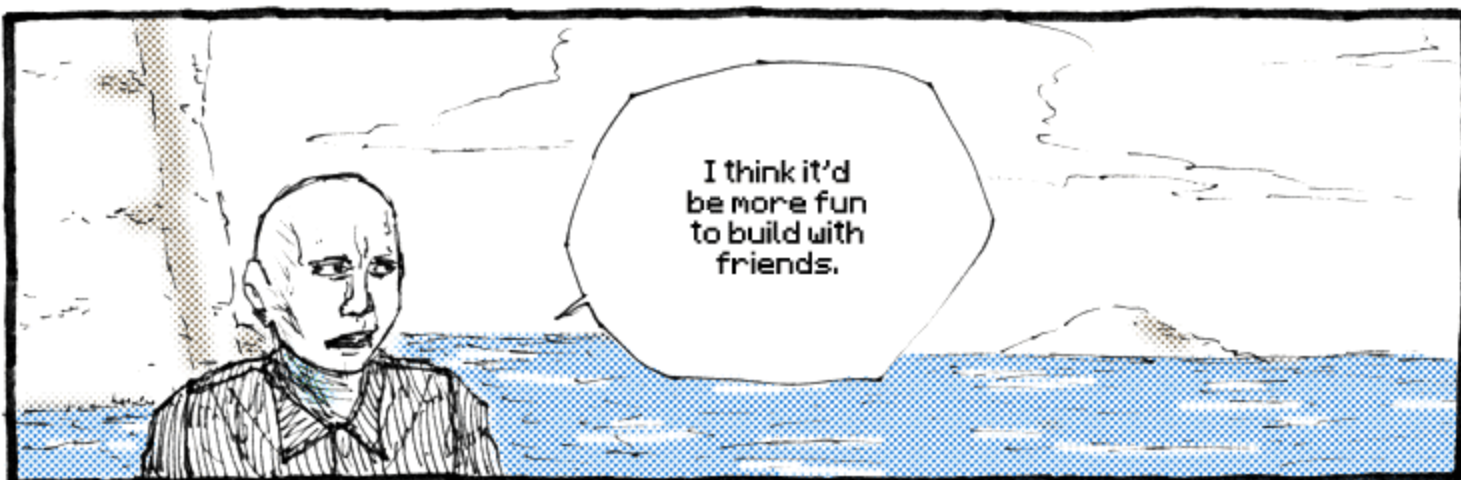

I think
he might be
staying just
a bit farther
that way.

I'd come
along and
help kill that
asshole,
but...

OH HEY!
OVER HERE!

Welcome to
Ravendel.

But don't get
too comfort-
able cause we
got move and
fast.

Great...

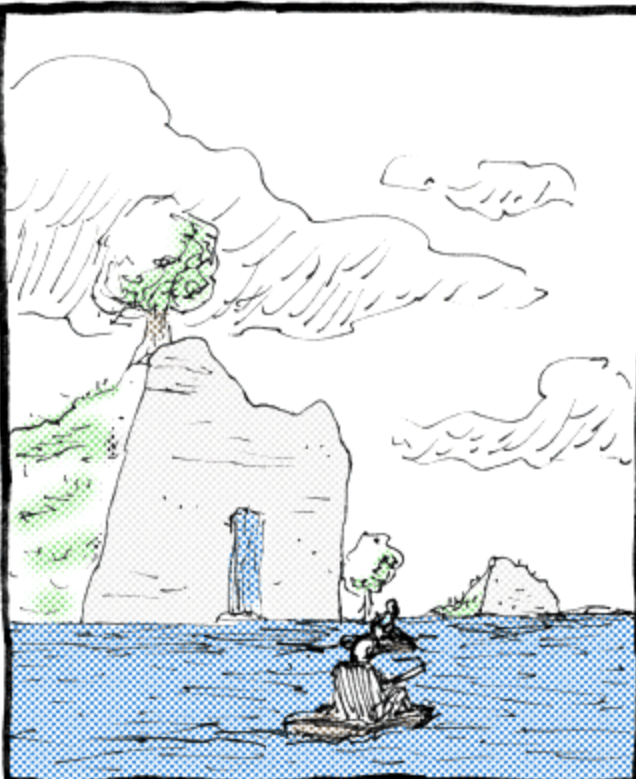

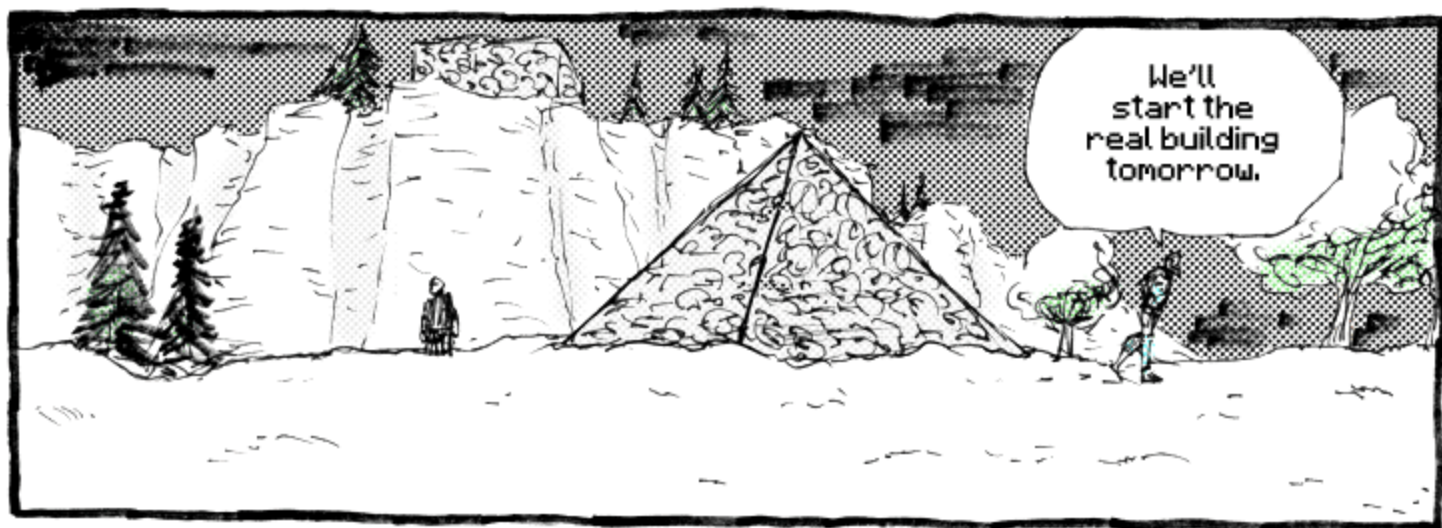

Don't worry
it's not far
from here.

C'mon
I'll take
you there
while the
others start
packing.

Okay.

Same
guy?

Yeah.

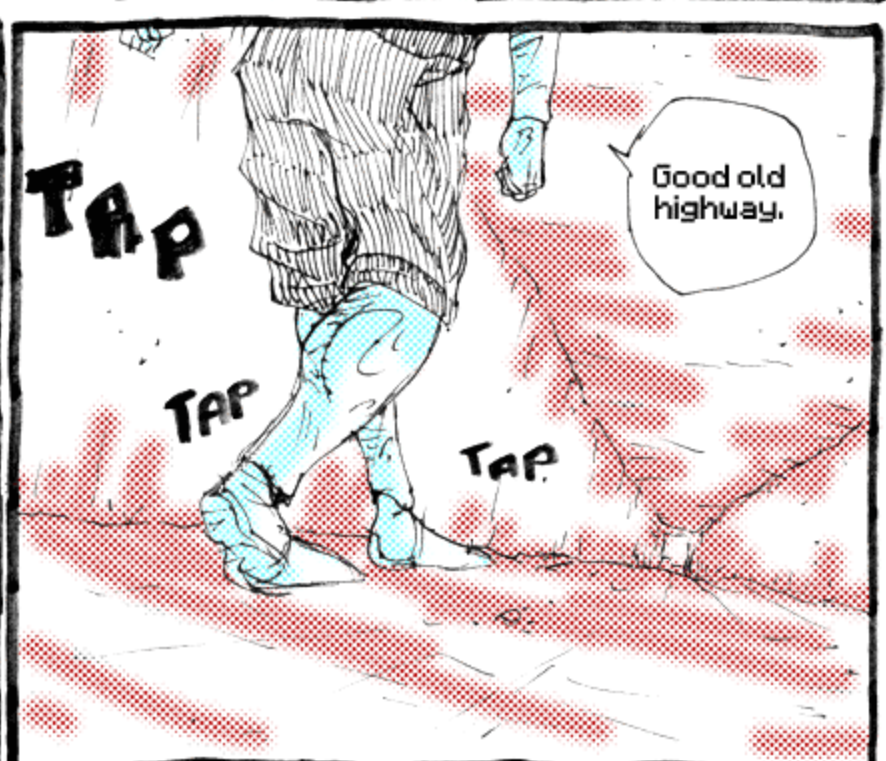

Well...

Guess
I'll go back
to my place
now.

Oh,
I'll meet
up with you
later, my
place is
on the
way.

Alright,
see you on the
way... maybe.

Good old
highway.

about
something,
